Health Conditions/allergies:

Dear Parents and Guardians,

We at St. Jerome Parish: Religious Education Program care about the safety and well-being of the children you have entrusted to our care. An important part of our commitment is to be in compliance with the United States Conference of Catholic Bishops' "*Charter for the Protection of Children and Young People*" which requires that each *diocese* must establish and maintain a Safe Environment Program for children and youth.

The Archdiocese of Los Angeles has adopted – *VIRTUS® Teaching Touching Safety Program for Children* – as the safety program that teaches children and young people “five basic safety rules” to help keep them safe from child-sexual abuse and also addresses such timely topics as boundaries and bullying and computer and internet safety.

We are pleased to offer this program to the children in the Religious Education Program at St. Jerome who will participate during the month of November 2016 and February 2017. The topic for this year's Teaching Touching Safety lesson is *Safe and Sacred*.

There will be a special meeting for you to review this year's safe environment lesson and receive important resources. This meeting has been scheduled for *September 2016* in the Religious Education Center. You are *encouraged* to attend so that you will have the tools you need to reinforce your child's learning experience.

Sincerely,
Cristina Castillo
Director of Religious Education
